AWHU - M38	38	33.7	60	49.4	47.9	97.9	60.0

\* Specified length to be shown as last designator in part number  
Example : CHBUW-4L100

Thermocouple Weld Half Union  
**AWHUT**

Bore Through weld union handle thermocouple or dip tubes with ease. For correct part number, just add "T" as a suffix to CHBUW, the weld half union designator.

Example : CHBUWT-8-S316 1/2" tube stainless steel 316
